Mr. John Skidmore  
2000 Sutton Lane  
Sutton, WV 26601

Dear Mr. Skidmore,

The West Virginia Council of Teachers of Mathematics wishes to once again commend the staff at the Days Hotel. Our 450 participants this year were extremely complimentary of the Days Hotel facility and staff.

Our meeting needs – from lodging, to meeting space, to meals – were met with our high expectations. Our participants were able to learn new ideas for their classrooms in a relaxing, productive environment thanks to the staff of the Flatwoods/Sutton Days Hotel.

We look forward to returning for our fourteenth year in Flatwoods next year and planning for future years in the near future.

Sincerely,

Steve Dellinger  
Conference Chair
