Cathy Carr, Convention Coordinator
Days Hotel
2000 Sutton Lane
Sutton, West Virginia 26601

Dear Cathy:

What a pleasure to work with you. During last week, I had the opportunity to work with two meetings at two different hotels: our General Federation of Women's Clubs West Virginia Summer Conference at the Waterfront Place Hotel in Morgantown and our WVU CARDIAC Project Training at the Days Hotel in the Sutton-Flatwoods area. One will remain a good experience while I will do my best to forget the other; THANK YOU for a good experience!

You and the Days Hotel staff were accommodating and always willing to meet any of our needs, even those last minute things that often occur during such an event. Everyone treated us with respect and a smile. Several of our CARDIAC staff commented on your organizational skills and conscientiousness. Needless to say, all of these comments thrilled me since I had recommended the Days Hotel, due to the excellent service our GFWC WV Federation had received during past Summer Conferences.

Everything was great: food, service, friendliness of the staff, and your interest in seeing that we had a good meeting without problems. I truly appreciate all you did and I will continue to recommend you and the Days Hotel to others in need of a meeting/conference/convention site.

Sincerely,

Violet J. Pastorial
GFWC West Virginia President
